With **Armory Week** in full swing now in New York, be sure to stop by the **Jonathan LeVine** booth at **VOLTA** to check out new works from **POSE**. Also, while you in town, head to 188 Lafayette (Lafayette and Broome) to take in a new mural from the MSK affiliated writer featuring his recognizable style. This piece was painted for **The L.I.S.A. Project NYC** and is only phase one of the project with plans in place for POSE to paint the rest of the five-story wall later this year.
